ACADÉMIE CANADIENNE D'ENDODONTIE

Canadian Academy of Endodontics, 1981 Annual Meeting,
Vancouver, British Columbia
October 16–18, 1981
Please contact: Dr. Barry Chapnick
235 St. Clair West, no. 103
Toronto, Ont. M4V 1R4
416-922-5115

Dr. Eugene Natkin, an outstanding educator, will address our group.

Additional clinicians are Dr. Bruce Blasberg & Ron Remick discussing atypical facial pain, Dr. Paul Lovedahl discussing Endo-Ortho and Dr. Wayne Acheson.

COLORADO — EXPANDED FUNCTIONS

The University of Colorado School of Dentistry is inviting applications for a full-time faculty position in Expanded Function Dental Auxiliary Education. Available September 1, 1981. This is a one year position which is dependent on grant support. Applicants must have a baccalureate degree and be either a C.D.A. or R.D.H. Applicants must also have training in expanded functions and teaching experience in expanded functions. Responsibilities include didactic, pre-clinical, and clinical instruction in both DAU and expanded functions. Faculty rank and salary commensurate with education and experience. Equal Opportunity/Affirmative Action Employer. Send curriculum vitae and application to Dr. John C. Peterson, Acting Dean, University of Colorado School of Dentistry, 4200 East Ninth Ave., Denver, Colorado 80262.

NHPPN

A computer at the University of Minnesota is helping students locate associates, hire hygienists, and sell their practices.

The computer is the nucleus of the ADA-sponsored NATIONAL HEALTH PROFESSIONS PLACEMENT NETWORK (NHPPN). The NHPPN is a nationwide clearinghouse for information regarding practice and employment opportunities for dental professionals.

The NHPPN will be at the National Dental Association's Annual Session in San Francisco. For further information about the NHPPN stop by their booth, or call or write: NHPPN, P.O. Box 14767, Minneapolis, MN, 55414, (612) 373-0082.
